

For the Sake of a Man Dying of Small Pox

Take it in slowly  
Don't think about it too much  
That's all I can think of  
Just do the same as me

Waiting for the movie  
Clatter of the shoes and such  
That's all there is to love  
That's all there is to see

Oh! Darling, it's not me  
Oh! Darling, it's never me

Live through them vicariously  
Look but don't touch  
Pushing after shove  
Cheap, but it's not free

Live your life less anxiously  
Steal somebody's crutch  
Spray paint covered doves  
Fall into the sea

Oh! Darling, it's not me  
Oh! Darling, it's never me

Take it in slowly  
Don't think about it too much  
That's all I can think of  
Just do the same as me

Oh! Darling, it's not me  
Oh! Darling, it's never me  
Oh! Darling, it's not me  
Oh! Darling, it's never me
