

The Vitriolic Mind Of An Ex-Indie Darling

I'm flung farther than you would've
It swung harder than it should've

To be an indie darling
In a populated world
To be an indie darling
For the
Kinda manic
Kinda pixie
Kinda dreamlike girls

I write things that sound the same, right?
If I sing I'm bound for limelight

To be an indie darling
In a populated world
To be an indie darling
For the
Kinda manic
Kinda pixie
Kinda dreamlike girls

Swingers, big bands
Fingers, nine hands
Bring her, her man
Slingers' guns banned
Clingers, real fans
Singers, frontman
Singers, dead panned
Singers, unplanned
