

Truly Timeless

Drinking heavily
Heaving drunkenly
Drunk and Heavenly
Heaven and the sea
Seeking remedy
Remain steadily
Romans chasing me
Friends from heaven see
Heaven and the sea
Heaven and the sea

Selling revelry
Revel sullenly
Sleeping nunnery
Heaven and the sea
Nuanced ABCs
Alphabetically
Patent agency
Aged patriarchy
Heaven and the sea
Heaven and the sea

Everything I say is truly timeless
Lend me money or your ears until I'm dimeless
Keaton, like the rehab centre's lineless
And I wish I made sense some times

The third act goes something like this
The fourth act features death and grins
The fifth act is the one that no one's reading
The first verse is what I had planned
The second verse is like a second hand
The third verse just remains, leaves no one needing
